EDUCATION

- 2007 to 2012 The University of Arizona
Ph.D.; Major: Social Psychology; Minor: Family and Consumer
Sciences; Dissertation: *A Social Interaction Analysis of the Daily
Conversations of Couples Coping with Breast Cancer*
- 2002 to 2005 The University of Texas, Austin
B.A.; High Honors with Departmental Distinction; Major: Psychology;
Minor: Spanish

PROFESSIONAL POSITIONS

- 2020 to present Associate Professor at the Department of Psychology, The University
of California, Riverside
- 2013 to 2020 Assistant Professor at the Department of Psychology, The University
of California, Riverside
- 2012 to 2013 Postdoctoral Research Associate at the Department of Psychology,
The University of Arizona; Supervisor: Dr. Matthias R. Mehl; NIH
Grant 7R01AT007297-02 (PI: Dr. Charles L. Raison)
- 2007 to 2012 Graduate Research Assistant at the Department of Psychology, The
University of Arizona; Supervisor: Dr. Matthias R. Mehl
- 2006 to 2007 Research Coordinator at the Department of Psychology and Social
Behavior, The University of California, Irvine; Supervisor: Dr. Sally
S. Dickerson
- 2004 to 2005 Undergraduate Research Assistant at the Department of Psychology,
The University of Texas at Austin; Honors Thesis: *Expressive writing
about different traumatic events*; Mentor: Dr. James W. Pennebaker

HONORS AND AWARDS

- 2018 Academic Senate Omnibus Travel Award (\$950)
- 2017 Academic Senate Omnibus Travel Award (\$1000)
- 2012 NIH scholarship to attend the mHealth Training Institute at the 2012 mHealth Summit, Washington D.C. (competitive, merit-based scholarship)
- 2012 Graduate and Professional Student Council Student Travel Award (\$500)
- 2011 University of Arizona Student Showcase Winner, 1st place (\$200)
- 2009 Accepted and participated in the Summer Institute for Social Psychology at Northwestern University
- 2008 University of Arizona Student Showcase Winner, 1st place (\$200)
- 2005 Undergraduate Research Fellowship and the University of Texas at Austin (\$1,000)

SELECTED PROFESSIONAL PRESENTATIONS

Robbins, M. L., & *Karan, A. (2019, June). A comparison of everyday word use among people in lesbian, gay, and heterosexual couples. Presentation at the semi-annual meeting of the Society for Ambulatory Assessment, Syracuse, NY.

Robbins, M. L., & *Karan, A. (2019, June). Who gossips and how in everyday life. Presentation at the meeting of the UCR Citizens University Committee, Riverside, CA.

*Wright, R. C., & **Robbins, M. L.** (2019, May). Pain disclosure in illness-specific online social networks led to greater support. Presentation at the meeting of the European Association of Social Psychology: Interpersonal Relationships and Tech, Annecy, France.

Robbins, M. L., & *Karan, A. (2019, May). Using technology to examine relationship quality among same- and different-gender couples. Presentation at the meeting of the European Association of Social Psychology: Interpersonal Relationships and Tech, Annecy, France. (**Chair**, Symposium, "Multimethod Approaches to Relationship Science").

Robbins, M. L. (2019, May). Promoting well-being among cancer patients using conversation. Invited presentation at the UCR Office of Research Integrity's Seminar Series, Riverside, CA.

Robbins, M. L. (2019, February). Oxford-style debate: To contribute the most to health psychology, social/personality and health research should primarily target medically ill and high-risk population. Invited presentation at the Health pre-conference of the annual meeting of the Society for Personality and Social Psychology, Portland, OR.

Robbins, M. L., & *Karan, A. (2019, February). Daily alcohol use, affect, and stress among lesbian, gay, and heterosexual couples. Presentation at the Health pre-conference of the annual meeting of the Society for Personality and Social Psychology, Portland, OR.

*Karan, A., & **Robbins, M. L.** (2019, February). Social interactions are more positive for lesbian and gay than heterosexual couples. Presentation at the Close Relationships pre-conference of the annual meeting of the Society for Personality and Social Psychology, Portland, OR.

*Wright, R. C., Sweeny, K., & **Robbins, M. L.**, (2019, February). The potential risks of discussing pain with a patient at a preoperative visit. Poster presented at Health

pre-conference of the annual meeting of the Society for Personality and Social Psychology, Portland, OR.

Robbins, M. L., Layous, K., & Milek, A. (2018, May). Daily Expression of Gratitude, Relationship Maintenance, and Relationship Satisfaction. Presentation at the annual meeting of the Association for Psychological Science, San Francisco, CA. (**Chair**, Symposium, “Positive Expressive Behavior in Everyday Social Interactions”).

*Wright, R. C., Sweeny, K., & **Robbins, M. L.**, (2018, April). Greater pain disclosure at preoperative visits predict lower self-reported pain at postoperative visits. Poster presented at the annual meeting of the Society for Behavioral Medicine, New Orleans, LA.

- *Meritorious Abstract Award*

Robbins, M. L. (2017, November). Observation of Social Exchanges in Real and Virtual Environments. Presentation at the inaugural meeting of the Pennebaker Advisees Language and Insights Summit, Austin, TX.

Robbins, M. L. (2017, June). The Landscape and Importance of Non-Cancer Conversations Among Couples Coping with Breast Cancer. Presentation at the semi-annual meeting of the Society for Ambulatory Assessment, Esch-sur-Alzette, Luxembourg.

*Karan, A., & **Robbins, M. L.** (2017, June). Using a Multimethod, Ambulatory Approach to Studying the Quality of Same- and Different-Sex Romantic Relationships. Presentation at the Dynamic Systems Modeling Workshop, a preconference to the semi-annual meeting of the Society for Ambulatory Assessment, Esch-sur-Alzette, Luxembourg. (**Co-Organizer** of the workshop).

*Wright, R. C., & **Robbins, M. L.**, (2017, March). Naturally-occurring pain conversations within three clinical samples as an alternative measure to self-reported pain. Poster presented at the annual meeting of the Society for Behavioral Medicine, San Diego, CA.

Robbins, M. L. (2017, March). The EAR as a naturalistic observation measure of patients’ social behavior. Presentation at the annual meeting of the American Psychosomatic Society, Seville, Spain. (**Chair**, Symposium, “Health-Relevant Social Environment Sampling Techniques”).

*Wright, R. C., *Rivas, R., Hristidis, V., & **Robbins, M. L.** (2017, March). Using Online Social Network Data to Investigate Pain Experiences. Presentation at the annual meeting of the American Psychosomatic Society, Seville, Spain.

- Robbins, M. L.** (2017, January). The Electronically Activated Recorder (EAR). Invited presentation at the annual meeting of the Society for Personality and Social Psychology, San Antonio, TX.
- *Wright, R. C., & **Robbins, M. L.**, (2017). Investigating how pain is discussed in everyday conversations within three clinical samples. Presentation at the Health pre-conference of the annual meeting of the Society for Personality and Social Psychology, San Antonio, TX.
- Robbins, M. L.**, *Karan, A., & *Wright, R. A. (2016, August). Everyday Social Interactions among Couples Coping with Breast Cancer. Presentation at the Dynamic Systems Modeling meeting, Aberdeen, Scotland.
- Robbins, M. L.** (2016, January). The Electronically Activated Recorder (EAR). Presentation at the annual meeting of the Society for Personality and Social Psychology, San Diego, CA.
- *Wright, R. C., Shahbazi, M., Hristidis, V., Esterling, K. M., & **Robbins, M. L.**, (2016, January). Observing social support in an online diabetes community. Poster presentation at the annual meeting of the Society for Personality and Social Psychology, San Diego, CA.
- Robbins, M. L.**, & Mehl, M. R. (2015, August). Naturalistic observation of social processes: The EAR (Electronically Activated Recorder). Presentation at the annual meeting of the American Psychological Association, Toronto, Canada.
- Robbins, M. L.** (2015, June). The correlates and predictive validity of coping behaviors and strategies among couples coping with breast cancer. Presentation at the annual meeting of the Society for Ambulatory Assessment, State College, PA.
- Robbins, M. L.**, & Layous, K. (2015, February). "Thanks!": Daily expression of gratitude predicts adjustment among couples coping with breast cancer. Presentation at the annual meeting of the Society for Personality and Social Psychology, Long Beach, CA.
- Robbins, M. L.**, *Wright, R., *Shahbazi, M., Hristidis, V., & Esterling, K. M. (2014, November). Management of diabetes through online social network use. Presentation at the inaugural Computational Social Interaction Workshop, Tucson, AZ.
- Robbins, M. L.** (2014, November). The little things in life: An observational perspective on everyday coping. Invited colloquium presentation at the University of California, Irvine.

- Robbins, M. L.** (2014, March). The little things in life: An observational perspective on everyday coping. Invited presentation at the weekly meeting of the Center for Behavior, Evolution, and Culture at the University of California, Los Angeles.
- Robbins, M. L.** (2014, March). Naturalistically-observed TV watching and disengagement among couples coping with breast cancer. Poster presented at the annual meeting of the American Psychosomatic Society, San Francisco, CA.
- Robbins, M. L.** (2014, February). Naturalistically-observed TV watching and disengagement among couples coping with breast cancer. Poster presented at the annual meeting of the Society for Personality and Social Psychology, Austin, TX.
- Robbins, M. L., Mehl, M. R., & Mason, A. E.** (2013, July). The little things in life: Using momentary naturalistic observation to capture everyday coping. Presentation at the annual meeting of the European Health Psychology Society, Bordeaux, France.
- Robbins, M. L., & Mehl, M. R.** (2013, March). Innovative real-world assessment of health-relevant social processes: The EAR and LIWC in psychosomatic medicine. Invited presentation and roundtable discussion at the annual meeting of the American Psychosomatic Society, Miami, FL.
- Robbins, M. L., Mehl, M. R., Smith, H. L., & Weihs, K. L.** (2013, January). Linguistic indicators of patient, couple, and family adjustment to breast cancer. Poster presented at the annual meeting of the Society for Personality and Social Psychology, New Orleans, LA.
- Robbins, M. L., & Mehl, M. R.** (2012, October). Naturalistic observation of social processes: The electronically activated recorder (EAR) method. Presentation at the annual meeting of the Society of Experimental Social Psychology, Austin, TX.
- Robbins, M. L., & Mehl, M. R.** (2012, April). The electronically activated recorder (EAR): Naturalistic observation of social interactions. Invited presentation at the Midday Meeting Session, *Tools and Measures from Social Psychology for Health Research* at the annual meeting of the Society of Behavioral Medicine, New Orleans, LA.
- Robbins, M. L., Mehl, M. R., López, A. M., & Weihs, K. L.** (2012, March). The daily conversations of couples coping with breast cancer: With whom, about what, and links to adjustment. Poster presented at the annual meeting of the American Psychosomatic Society, Athens, Greece.
- Robbins, M. L., Mehl, M. R., Weihs, K. L., & López, A. M.** (2012, January). Emotional expression in the daily conversations of couples coping with breast cancer. Data

- blitz presentation at the Health pre-conference at the annual meeting of the Society for Personality and Social Psychology, San Diego, CA.
- Robbins, M. L.,** Mehl, M. R., Weihs, K. L., & López, A. M. (2011, December). The daily conversations of couples coping with breast cancer: With whom, about what, and links to adjustment. Presentation at the AZCC Cancer Control and Prevention Seminar.
- Robbins, M. L.,** Mehl, M. R., Focella, E. S., Kasle, S., López, A. M., & Weihs, K. L. (2011, October). Naturalistically observed swearing, emotional support and depressive symptoms in women coping with illness. Presentation at the International Association for Relationship Research mini-conference, Tucson, AZ.

- Robbins, M. L.,** Mehl, M. R., López, A. M., Weihs, K. L., & Kasle, S. (2010, February). Laughing in the face of adversity: The role of laughter in the context of coping with breast cancer and rheumatoid arthritis. Presentation at the AZCC Cancer Control and Prevention meeting.
- Robbins, M. L.,** Mehl, M. R., & López, A. M. (2010, January). The daily interactions of couples coping with breast cancer: How is naturalistically observed disclosure related to psychological adjustment? Presentation at the annual meeting of the Society for Personality and Social Psychology, Las Vegas, NV.
- Robbins, M. L.,** Holleran, S. E., Mehl, M. R., Kasle, S. (2009). The sounds of depression: A naturalistic observation approach to predicting depression in rheumatoid arthritis patients. Poster presented at the annual meeting of the Society for Personality and Social Psychology, Tampa, FL.
- Robbins, M. L.,** Chung, C. K., & Pennebaker, J. W. (2007). Expressive writing about different traumatic events. Poster presented at the annual meeting of the Society for Personality and Social Psychology, Memphis, TN.

GRANT ACTIVITIES

Active

- 2018 to 2020 National Institutes of Health (R21, NIAMS). *Development and Preliminary Testing of Novel Virtual Human-Assisted Psychosocial Interviews for Patients with Chronic Musculoskeletal Pain* (Consultant, \$3,000).
- 2019 to 2021 National Institutes of Health (R03, NIMH). *A Window into Schizophrenia: Evaluating Social Dysfunction Using Real-World Audio Recordings* (Consultant, \$4,538).

Completed

- 2018 Faculty mentor for UCR Healthy Campus Initiative Project Grant (\$1,500), Robert Wright
- 2017 to 2018 American Psychological Foundation. *Targeting Social Impairment in Serious Mental Illness by Linking Portable Technology with Therapy* (Consultant, \$2,506).
- 2016 to 2017 University of California Intercampus Consortium on Health Psychology. *Identifying markers of resilience during the wait for breast diagnosis* (Co-Investigator, \$5,000).
- 2016 to 2017 Committee on Research from the University of California, Santa Cruz. *Observing the daily cultural environments of working-class college students* (Consultant, \$8,000).
- 2015 to 2017 UC Riverside Regents Faculty Development Fellowship Recipient. *Everyday Cancer Prevention through Real-Time Analysis of the Social and Health behaviors of Same- and Opposite-Sex Couples* (PI, \$6,000).

TEACHING

- 2020 to present Associate Professor at the University of California, Riverside
- 2013 to 2020 Assistant Professor at the University of California, Riverside
- Health Psychology (PSYC 178) 4.5/5 effectiveness rating
- Health and Behavior Change (PSYC 179) 4.4/5 effectiveness rating
- Relationships and Health Undergraduate Seminar (PSYC 148) 4.7/5 effectiveness rating
- Relationships and Health Graduate Seminar (PSYC 255) 5/5 effectiveness rating
- Intro. to Psychological Research Methods (PSYC 12) 4.4/5 effectiveness rating

Research Methods in Social and Personality Psychology (PSYC 227)
4.6/5 effectiveness rating

- 2008, 2009, 2013 Instructor at the University of Arizona (Courses: Psychology of Happiness, Social Psychology)
- 2008 to 2009 Teaching Assistant at the University of Arizona (Courses: Introduction to Psychology, Psychology of Human Sexuality, Personality Psychology)

MENTORING/ADVISING

- 2019 to present Primary advisor for three graduate students, Monica Beals, Chandler Spahr, and Pavani Jonnalagadda
- 2014 to 2019 Primary advisor for two graduate students, Alexander Karan (currently postdoc at University of Illinois) and Robert Wright (currently postdoc at Stanford University)
- 2016 to 2018 Co-advisor for National Science Foundation Graduate Research Fellow, Komi German
- 2014 Faculty mentor for Chancellor's Research Fellowship (\$5,000), Matthew Leitao
- 2013 to present Primary advisor for 10-30 undergraduate research assistants each quarter
- 2012 Advisor for Undergraduate Research Fellowship (\$1,500), Victoria Bryant
- 2011 to 2012 Graduate student mentor for Honors Thesis Project, Marisha Mets
- 2011 to 2012 Advisor for Undergraduate Research Fellowship (\$1,500) and Honors Thesis project, Kristen Ash
- 2010 to 2011 Advisor for Undergraduate Research Fellowship (\$1,500), Adam Norrish
- 2009 to 2010 Advisor for Undergraduate Research Fellowship (\$1,500), Zach Smith
- 2008 to 2009 Graduate student mentor for Honors Thesis Project, Allison Lake

PROFESSIONAL SERVICE

- 2020 to present Social/Personality Area Head, Psychology Department, UCR
- 2019 to present Member of the Faculty Welfare Committee, UCR
- 2019 to present Member of the Council on Undergraduate Research Committee, UCR
- 2019 to present Chair of the Society for Ambulatory Assessment Website and Social Media Committee

2018 to present	Secretary for the Social, Personality, and Health Network Executive Committee
2017 to present	Member of the Executive Committee, Society for Ambulatory Assessment
2017 to present	Member of the UCR Social/Behavioral IRB Committee
2017	Affirmative Action Officer, Social/Personality Faculty Search Committee
2014 to 2017	Co-Organizer of the Social, Personality, and Health Network virtual brownbag series
2014 to 2017	Guardian Scholar mentor to two undergraduate students
2014 to 2017	Member of the Educational Software Committee at UCR
2014 to present	Grant reviewer for NSF, Graduate Women in Science, Wayne State University, Czech Science Foundation, University of Leuven, Belgium

Gossip

Study busts gossip myths

BBC World News “Newsday,” live television interview, June 2, 2019

We gossip about 52 minutes a day. That may not be as toxic as it sounds.
